Innovation, technical expertise, reliability

The Titus group (Titus International Ltd.) is a group of companies that develops, manufactures and markets innovative small components solutions such as: furniture hardware, hydraulic dampers, automated assembly systems, production tools and die-casting technologies.

With over 600 employees worldwide and markets in over 70 countries, The Titus group, under the umbrella of Titus International Ltd., is based in the UK and comprises 14 companies originating from Titus International in England and Lama d.d. Dekani in Slovenia.

Titus Tekform Pty. Ltd. was created and launched to the Australian cabinet and furniture making market on 1 April 2014. The Titus Group acquired the Tekform group of companies in Australia, thus securing Titus' distribution channels and the new company has been renamed and rebranded Titus Tekform.

With the strong Titus manufacturing and business philosophy and the Tekform market presence, Titus Tekform is well placed to respond to the future dynamics of the Australian furniture industry without losing sight of its legacy, values and practices.
