DIMENSIONS

INSTALLATION

All templates, line drawings and electronic files are supplied as a guide only. Please cross check with actual bowl before commencing any cut out, and ensure radii are suitable tolerances. Titus Tekform accepts no responsibility for cutout errors.

The CS168 sink and drainer package does not include a tap landing, please install a

DriSeal (SA051 round or SA052 square) with this sink and tap.

- To use with all mounting applications that have timber substrate
- Protects benchtops from water damage
- Creates a barrier to spills and leaks
